The lecturer is enthusiastic, loves to explore new ways of teaching which is not always advantageous - and is passionate about her subject.

7.2 Outline what you liked the least about this lecturer's teaching

She uses the blackboard system. She does not lecture us in a normal way. She expect everything to be computerised and this does not benefit us. She gives us notes that are be summarised and expect us to learn the full thing and expect too much of us.

7.3 Outline what you would like to see improved in this lecturer's teaching

She needs to lecture in normally and will full give us full proper notes/information. The notes we have are summarised to much and taken from books we dont even have.
